

Evaluation Criteria

Proposals received will be evaluated according to the following criteria.

Criteria	Score
Relevant experience of the organisation and the team Proposed team composition (including involvement of local and international members) suitable for the assignment, with the experience profile specified in the RFP. Applicants must clearly describe their staffing profile. The Applicant must also demonstrate clear experience relevant to the assignment, conducted within the last 3 years.	40%
Proposed methodology and approach The proposed approach should reflect a thorough understanding of the scope of the work and services required and must clearly demonstrate an understanding of the local context, particularly the needs of locally-led Justice Centres in a transitional phase. Response should demonstrate a logically developed set of activities and a realistic schedule for delivery.	45%
